

Encan de loups 2023

INFORMATION FOR ARTISTS

Thank you for your participation in the auction of the loups for the 2023 Festival du loup! This highly popular activity encourages festival goers to express their support and pride in the Festival du loup, all the while providing for a fundraising opportunity for the Festival's future activities.

Some participating artists are affiliated with the *Georgian Bay Cancer Support Centre*. Twenty percent of the funds raised for the sale of these loups will be granted to this Centre.

We invite you to let your creativity take centre stage! The diversity of the loups throughout the years is what makes this auction truly special.
